ABOUT ME

I am a Junior Front-End Developer who recently finished up an immersive, three month, coding bootcamp. I am seeking a full-time position as a Web Developer/Front-End Programmer, where I can apply my newfound knowledge and continue to grow in my skills. I love people and carry a passion for design and creating beautiful things.

EXPERIENCE

BEVELLO

SALES LEAD | AUG 2014 - DEC 2015

- Originally hired as an assistant store manager and subsequently transitioned into a Sales lead. Involved in daily interaction with people ranging from customer service concerns to selling and designing custom wardrobe options. Continually maintained top in sales and customer service.

TEKTONOS LLC

MANAGER | MARCH 2012 - JAN 2013

- Managed shift work of 4-6 employees. Assembled complex wiring harnesses and integrated them into electronic communication devices.
